

"For many years, Jackson Public Schools has used Hirst Electric Co. for a wide range of projects, some small and some quite large. They have become our preferred electrical contractor for our total maintenance after proving to be professional and responsive."

*Rodney V. Waltz
Director of District Operations
Jackson Public Schools*

"While fulfilling all of our interior lighting needs, we have found Hirst Electric Co. to be knowledgeable in all aspects of electrical requirements including complete electrical for our new stores and remodels. Upon completing the work, they leave the areas clean and tidy. Their prompt and reliable service for emergency and after hours needs is always a plus! We would highly recommend Hirst Electrical Co. to any company or individual requiring quality service."
